The Master lifts the experience of barbecuing to a whole new level! It is meant for those who **enjoy life to the fullest** with a penchant for modern design and culinary trends.

1. THREE IN ONE

The barbecook® Master charcoal barbecue has not only a **griddle** and **cooking grid** but also a **wok**. The fire basket, which you can move from left to right with a handle, provides a large cooking surface for barbecuing, grilling or wokking. This allows you to prepare virtually any kind of meal!

2. QUICKSTART® LIGHTING SYSTEM

The Master features QuickStart®, a **unique lighting system** devised by barbecook®. With the Quickstart® system, the Master **is ready to grill in 15 minutes** :

- ✓ place 3 double sheets of newspaper in the lighting tube
- ✓ pour some charcoal into the burner box and light the newspaper
- ✓ after 15 minutes your barbecook® is ready to grill, without using harmful lighting products!

3. BEAUTIFUL DESIGN

Barbecook® has combined the many features of the Master in a beautiful design. Trendy and elegant, based on a **combination of cast iron, stainless steel and luxurious Cambara hardwood** that just becomes more beautiful with time.
