

PRESS RELEASE

September 2009

THE AMICA TABLE BARBECUE, THE COSIEST END OF YEAR PRESENT

Still looking for an original present for the holiday season? One that is bound to go down well? With the Amica table barbecue from Belgian barbecue specialist barbecook®, you give your loved one, friends or family the perfect gift for countless cosy evenings at home. Happy, smiling faces guaranteed!

EVERYONE GATHERED AROUND THE BARBECUE

The Amica is placed in the middle of the table so that everyone can do their own grilling, from the appetizer to the dessert. Lighting the Amica is child's play with the associated lighting gel and Cook Chips (ecological bamboo-based charcoal). The unique composition of the Cook Chips ensures that no smoke is produced during lighting. Additional advantage: the Amica can also be used indoors in combination with the griddle provided. Winter or summer, any time of year is perfect for a cosy barbecue!

NEW: STARTER PACKAGE AND ROTATING TABLE

The Amica is now available in a convenient starter package, the ideal gift for instant grilling action. In addition to the Amica, this package includes a silicone table mat, cooking grid, griddle, four grilling tongs, 500 ml lighting gel and 600 g Cook Chips (for two grilling sessions).

A handy accessory for those who already own an Amica is the rotating table with six saucers. Just fill them with sauces of your choice and enjoy!

For more information, inspiration and local points of sale, visit www.barbecook.com.
